## Synopsis

A **ONE-TIME** WORLD CHAMPION BOXER WHO'S HUNG UP HIS GLOVES FEELS FORCED TO GO BACK INTO THE RING. THIS UNLIKELY COME-BACK IS MOTIVATED BY HIS NEED FOR MONEY AS MUCH AS THE DESIRE TO REGAIN HIS FADED GLORY. THE CAMERA ACCOMPANIES THIS BOXER FOR TWO YEARS, FILMING THE DAILY LIFE OF A MAN COMING TO GRIPS WITH HIS DOUBTS AND CONTRADICTIONS. WE DISCOVER THAT SOMETIMES THE OBJECT OF THE QUEST IS LESS IMPORTANT THAN THE QUEST ITSELF AND THE COMPANIONS WITH WHOM WE UNDERTAKE IT...

## Dialogue extracts

**Fabrice BENICHOU** - THE BOXER

"It's not the opponents who scare me. It's myself, scared I would not perform or take a punch which I should never have taken. But do I have the faith and the strength to carry on as in my younger days... ? I had the spirit, the desire and the rage when I was young... Today it is above all a means to get out of boxing..."

**Jean MOLINA** - THE MANAGER

"What do you want to know ? He is a boxer... You, you're a boxer, he's a boxer what else do you want to do ?"
